The Westminster Review for April has been received. It is now filled with interesting and valuable reading matter. Messrs. LEONARD SCOTT & CO., New York, are the publishers.

M. C. GAYLOR & SON make their home a part of the city, 212½ South Main Street, North east of the city 2½ miles, per \$25 per acre. Considering the distance and the unusual condition in which it lay, we consider it a good site. Real estate seems to be advancing in every direction.

We learn that the Theatre will open next Friday evening, and that Miss STANLEY will appear in "Sister Agnes." The first play of the season this late, will be "The Merchant of Venice," and the theatre going public, that she will offer them an entertainment every way deserving of being pitied.

There was a parade yesterday afternoon, of those Friends who intend visiting Charleston, to participate in the celebration of the 25th Inst. They were preceded by the band of Liberty Fire Company No. 2. With the exception of Washington Fire Company No. 2, no Company in the city was represented. They made a fine appearance.

SCARLETT'S Success.—Old Fellow's Hall, last evening, was crowded with a large number of ladies and gentlemen, intent upon pleasure and aiding the Second Presbyterian Church in lighting their beautiful building with fire. We are glad to learn that the "Supers" were well patronized, and that a considerable amount toward accomplishing the object is now in view.
